Time management

Time in the organization is constant & irreversible. Nothing can be substituted for time. Worse, once wasted. It can never be regained. Leaders have numerous demands on their limited time. Time keeps getting away & they have trouble controlling it.

The following are examples of some of biggest time wasters

1. Thinking about it, worrying about it, indecision
2. Creating inefficiencies by implementing first instead of analyzing first.
3. Poor organization
4. Lacking priorities, standards, policies & procedures.
5. Ineffective meetings

How can you save time ??

1. Managing the decision making process, not the decisions
2. Concentrating on doing only one task at a time.
3. Establishing daily, short term, midterm & long term priorities
4. Throwing unneeded things away
5. Establishing personal deadlines & ones for organizations.
6. Not wasting other people's time.
7. Ensuring all meetings have a purpose, time limit & include only essential people.
8. Keeping things simple.
9. Using checklists & to-do lists
10. Maintaining accurate calendars

Hello : 9972595464

Congratulations Moullana on achieving your weekly targets !!!

Unlimited Entertainment in Ziac !!!!!!!

We went to trip on 19-Sep-07

Want to know about trip places ??

Here is the summary by Mr.Rajesh. Over to Mr.Rajesh

The trip started off in right time. Many Ziacians overstayed in the office and special credits to them. We started off at 6.30 am headed to Ramnagar to pick up Jayashree, later had a great break fast at HANCHINA MANE.

After break fast, we started off with the ANTHAKSHARI. It was great fun playing this. Yathish, shravanthi's better half [yes it is true] gave a mind blowing songs [all languages - kannada, telugu and Hindi]. Then came some hits of Rajkumar from CHANDRA SHEKAR along with some telugu hits. By the time we reached a Temple on the hillock and proceeded to **TALAKADU**.

In talakadu, we had a boat ride and then swimming. All were having fun with the water and environment. Later we had a Dhoom Dhadakka Lunch at Talakad. After lunch proceeded to **Bara chukki**, on the way we were welcomed by Mungaru male [RAINS] with the music.

Now enter the little master - Sowmya - gave some work to our brains with a twister to be solved. Revanna solved it, but before this Rajesh had given the solution.

When we reached Bara chukki it rained more for about 15 mins. Later all of us went to foot of the falls and enjoyed. Dharmendra snapping quite a few deadly snaps of the gigantic falls. Never to miss Moullana posing for the same along with Rajesh.

Later we went to **Gagana chukki** and had the view of the falls. Meanwhile the bus was to be replaced with a FLAT tyre. We all played shuttle meanwhile. Then our journey back started. Kantharaja give a problem to solve, and we were busy with solving the puzzles. The answer was given by marketing head - Dharmendra. This was the moment which is more exciting. On the return each one of the team member were asked to sing a song.

To start off with, chandra shekar started with a hit song from SHABDHAVEDHI - Rajkumars - Oh Oh o o prema kashmira. Then surya sung the upendra hit - Danger 30 to 40 danger. Nagendra as his type cast

Hello : 9972595464

gave a small lecture on Indian culture, which was really informatory. Moullana became Himmesh reshrammiya to give us the hit song of CHAND Niklaaja. Pradeep – sung one song. Then Kantharaja - WOW what a song he sang, infact many many melodious tracks of yesteryears Kannada song. He has a great voice too. Then our Revanna who sung a old hindi movie song which was also good.

BOOOM!!!! Enter Robin hood who took away the lime lite with a track from malayalam. Later due to audience request dedicated a song to his sister SUMA from HARE RAMA HARE KRISHNA. During anthakshari he sung leja wariaye [Mandakania - hudugata's original track]. He was requested again to sing it, and my god it was mind blowing. Suma as evergreen she gave couple of latest and old hindi hits. Then our sowmya [as saying goes in kannada murthi chikkadadru keerthi doddadu], she sang a hit from Lankesh Patrika and one old kannada movie. Then one of the star attraction - [another yet to come] - Shrvanathi and her better half - one gave kannada hit and another telugu hit.

Shamsuddin as a cool head just took away the competition to next level with a hit [sung by md rafi] from my grand fathers era!!! Jayashree with her soar throat gave a song – Yendho kanda kanasu from lankesh patrike. Rajesh as charming as ever sung a song which not many have heard.

Then comes the climax from two of the head of ZIAC, Dharmendra - thanks to the team, I had never seen him sing in front of a crowd, heard quite a few personal bath room songs from him. And last BUT AS USUAL NOT THE LEAST - Ramesh and couple gave many songs from Hindi. Ramesh sung old hits of Hindi and Swaroopa sang the song Waha waha ramji [Madhuri].

We reached Ramnagar at 8.30 and dropped Jayashree. Later we reached office by 10.00 pm dropping few fellow teammates on the way. Thanks to Ramesh and Dharmendra for organizing such a good transport facility, food, snacks and cool drinks. Food was always within reach and never short of. STAR ATTRACTION OF THE TRIP - The prize goes to - BABY TRISHA. Congrats

Wow Starts Now !!!!
